NEW PAY STATIONS REPLACING GATES IN TWO VILLAGE PARKING LOTS

The new pay stations in the Village parking lots 2 (behind Starbucks and TCBY) and 3 (between the Neighborhood Club and Whiskey Six) are now in operation. Visitors are requested to pay at one of the multiple pay stations, easily located by following one of the many signs.

To use the new parking system, please follow these simple instructions before leaving the parking lot to visit Village businesses:

1. Enter license plate
2. Purchase or add time (with cash or credit)
3. Choose amount of time you would like to purchase
4. Enter your phone number to get a parking expiration reminder and extend parking time using your smart phone

The parking rates and hours of operation remain the same in these two lots, so you can stay all day as long as you pay between the hours of 9 am and 9 pm, Monday-Saturday. Please be aware that these pay stations do not give change.

You will never get stuck behind parking gates again. However, please remember that payment in these lots will be enforceable with parking tickets.
