NOTICE TO RESIDENTS

August 19, 2019

PUBLIC SAFETY PROJECT

This notice is to update you on the activities at the DPS construction project located at 17320 Mack Ave. The foundations have been formed and poured. Masonry will continue over the next couple weeks with block walls coming out of grade. Underground piping has begun and will continue simultaneously as masonry progresses. Utility work across St Clair has concluded, so St Clair is no longer down to a single lane. Looking a couple weeks out, we anticipate being able to pour the basement floor and start erecting the steel frame of the building. The City of Grosse Pointe wishes to apologize in advance for any inconvenience related to the construction and hopes to complete the project in a timely manner. If you have any questions or concerns, please feel free to contact me or the contractor at the following:

DeMaria Sr. Project Superintendent: Nick Annoni

(248) 982-2331
