NOTICE TO RESIDENTS

October 7, 2019

PUBLIC SAFETY PROJECT

This notice is to update you on the activities at the DPS construction project located at 17320 Mack Ave. Over the last week, the foundations have been excavated for the Apparatus Bay side of the building, floor joists for the first floor have been placed and the second floor will follow. Masonry will continue as the stair tower is completed and then the Apparatus Bay comes out of grade. Underground piping will continue simultaneously as masonry progresses. Storm lines for onsite retention will start along the east property line this week. The City of Grosse Pointe wishes to apologize in advance for any inconvenience related to the construction and hopes to complete the project in a timely manner. If you have any questions or concerns, please feel free to contact me or the contractor at the following:
