NOTICE TO RESIDENTS

December 27, 2019

PUBLIC SAFETY PROJECT

This notice is to update you on the activities at the DPS construction project located at 17320 Mack Ave. With this bit of warm weather, the contractors are hoping to get a bit more done and are planning to work tomorrow, Saturday December 28th. No work will happen before 8am, with only the roofing company and carpenters continuing for the day. Over the next week, the same trades will continue with exterior framing and roofing. Plumbing and electrical sleeve and piping will continue throughout the main level and second floor. In the next few weeks, it is anticipated that the windows will be delivered and installed, getting us one step closer to getting the building completely weather tight. The City of Grosse Pointe wishes to apologize in advance for any inconvenience related to the construction and hopes to complete the project in a timely manner. If you have any questions or concerns, please feel free to contact me or the contractor at the following:

DeMaria Sr. Project Superintendent: Nick Annoni
