NOTICE TO RESIDENTS

March 13, 2020

PUBLIC WORKS PROJECT

This notice is to update you on the forthcoming activities at the DPW project at 17147 Maumee Ave. The shell of the main building has been constructed and the roof is halfway to completion. To take advantage of the warmer weather, the contractor is planning to work tomorrow, Saturday, March 14th. No work will happen before 8am, with activity on site limited to the roof installation. Starting next week, underground work will begin on the site. Part of this work will include underground plumbing and electrical for the main feeds into the building. Sitework will also begin to rid the project area, inside and outside of the building, of the muddy soil conditions. The City of Grosse Pointe wishes to apologize in advance for any inconvenience related to the construction and hopes to complete the project in a timely manner. If you have any questions or concerns, please feel free to contact me or the contractor at the following:

DeMaria Sr. Project Superintendent: Dennis Dollar (248) 924-1753
