NOTICE TO RESIDENTS

May 29, 2020

PUBLIC WORKS PROJECT

This notice is to update you on the forthcoming activities at the DPW project at 17147 Maumee Ave. The work on the underground storm system which will be tied into the City system has been completed. Other underground work on site continues, but will be wrapping up in the next week or so. The conventionally framed storage buildings are going up to the south of the pre-engineered building and will be closed in over the next two weeks. Work also continues on the interior of the larger building as the electrical and mechanical systems get installed. With the warmer weather and construction work back in full steam, we are looking to make up time with concrete curbing work tomorrow May 30th, 2020. No work will start before 8am nor continue on Sunday. The City of Grosse Pointe wishes to apologize in advance for any inconvenience related to the construction and hopes to complete the project in a timely manner. If you have any questions or concerns, please feel free to contact me or the contractor at the following:

DeMaria Sr. Project Superintendent: Dennis Dollar (248) 924-1753

DennisD@demariabuild.com

City of Grosse Pointe: Pete Randazzo (313) 417-1181
