NOTICE TO RESIDENTS

PUBLIC WORKS PROJECT

This notice is to update you on the forthcoming activities at the DPW project at 17147 Maumee Ave. The contractor will be working on Saturday, June 27th to remove the temporary stone base and complete the paving for the City Hall parking area. We are suspending parking in this area beginning Friday the 26th at 5:30 PM and continuing through 6:00 AM on Monday the 29th. Starting Saturday June 27th, Maumee will be partially obstructed to allow the paving Contractor to place the new asphalt on site. We expect that work to be completed Saturday. During this time, the sidewalks to the City Hall entry will remain closed. The City Hall drop box at the corner of Neff and Maumee will remain open and accessible for any drops that need to be made during this shutdown time.

The City of Grosse Pointe wishes to apologize in advance for any inconvenience related to the construction and hopes to complete the project in a timely manner. If you have any questions or concerns, please feel free to contact me or the contractor at the following:
