NOTICE TO RESIDENTS

August 7, 2020

PUBLIC WORKS PROJECT

This notice is to update you on the continuing activities at the DPW project at 17147 Maumee Ave. The contractor will continue to install the fire suppression piping on the interior of the DPW on Saturday. Work will be primarily on the interior with vehicular traffic on the site to access the interior and supply materials. The City Hall entrance and parking lot will be open to vehicular and pedestrian traffic up to the designated construction site area.

Work continues on the conventionally framed materials and salt storage building. Exterior wall finishes to proceed with in a few weeks. Interior electrical service installation, fire protection sprinkler systems, and interior space build out continue. The City of Grosse Pointe wishes to apologize in advance for any inconvenience related to the construction and hopes to complete the project in a timely manner. If you have any questions or concerns, please feel free to contact me or the contractor at the following:
