### **NOTICE TO RESIDENTS**

**August 14, 2020**

### **PUBLIC WORKS PROJECT**

This notice is to update you on the forthcoming activities at the DPW project at 17147 Maumee Ave. The contractor will continue to install the fire suppression and other piping on the interior of the DPW. Interior floor finishes are scheduled for application over the week end. The exterior brick will also be cleaned on the south side of the building over the week end. Work will occur on the interior and exterior of the building. The work will be contained within the designated construction area. The City Hall entrance and parking lot will be open to vehicular and pedestrian traffic up to the designated construction site area.

Work continues on the conventionally framed materials and salt storage building. Interior electrical service installation, fire protection sprinkler systems, and interior space finishing continue. The City of Grosse Pointe wishes to apologize in advance for any inconvenience related to the construction and hopes to complete the project in a timely manner. If you have any questions or concerns, please feel free to contact me or the contractor at the following:
