NOTICE TO RESIDENTS

August 19, 2019

PUBLIC WORKS PROJECT

This notice is to update you on the activities at the forthcoming DPW construction project at 17147 Maumee Ave. Site preparation is concluded for now. The water main along the west property line will be replaced in the upcoming weeks. DTE is nearly done, the old poles will be removed when ATT & Comcast are finished moving their lines. The existing police station, soon to be the Court Building, is being analyzed by experts to figure out the best means of being restored as close as it can back to its original appearance. The cupola was removed and the historic bell inside was rescued and is being considered for a monument at a plaza of the new Public Safety Building. Additional updates will be sent as the schedule solidifies. The City of Grosse Pointe wishes to apologize in advance for any inconvenience related to the construction and hopes to complete the project in a timely manner. If you have any questions or concerns, please feel free to contact me or the contractor at the following:

DeMaria Sr. Project Superintendent: Nick Annoni
