

NOTICE TO RESIDENTS

November 15, 2019

Public Works Facilities Construction

This notice is to let you know the DeMaria, the general contractor for the Public Works facility, will be working on Saturday, November 16 on the foundations for the new building. They will start at 8 am and may work until 7 pm, depending on the progress made, which would require a set of temporary lights to be utilized.

The delivery of the girders and piers for the structure is expected Tuesday, November 19. By the following week, installation of the structure for the building is expected to begin.

The City of Grosse Pointe wishes to apologize for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.

If you have any questions or concerns, please feel free to contact Pete Randazzo at the City of Grosse Pointe at 313 885-5800 or Nick Annoni at 248 982-2331.

Thank You.
