WELCOME to The Village Parking Structure

The “How-to’s” Of Automated Self-service Cashiering

JUST TAKE A TICKET...

When you enter the garage, take a ticket and park your car. TAKE YOUR TICKET WITH YOU while you visit the Village. If you are going to a business that validates simply bring your entry ticket with you. The sticker validation will be placed on your entry ticket and will be read upon exit.

When you return to the parking structure, in either stair tower lobby on the first floor PAY BEFORE YOU RETURN to your car. After paying, your ticket will be encoded with a 15-minute grace period for you to exit the parking structure. As you drive out, just insert your paid ticket into the exit machine - the gate will automatically open.

...AND PAY THE PAY STATION

When you pay at the pay station located in either stair tower, you can use cash, credit card (VISA®, Mastercard®, American Express®, Discover®), or a debit card. The machine has the ability to issue change and a receipt. The machine will return your PAID ticket - hold onto this and use it to exit the parking structure by inserting it into exit machine.

If you forget to pay at the pay stations in the stair towers, you can insert your unpaid ticket at the exit gate and pay with credit/debit card only on the way out.
**JUST WAVE**

Touchless technology means you can just wave and get your ticket!

Simply pull your vehicle up, wave your hand in front of the sensor and your ticket will dispense.

No buttons to push.
