PUBLIC WORKS PROJECT

This notice is to update you on the activities at the forthcoming DPW construction project at 17147 Maumee Ave. The abatement of the existing court and DPW buildings is scheduled to commence next week and is anticipated to take two weeks to complete. Upon completion of the abatement, the demolition contractor will be mobilizing to begin the demolition of the existing DPW building and then move to remove the addition of the existing Court building. The demo process is anticipated to take approximately two-three weeks. Between these two processes, the site will be prepped with temporary fencing and other construction related items. The City of Grosse Pointe wishes to apologize in advance for any inconvenience related to the construction and hopes to complete the project in a timely manner.
