

NOTICE TO RESIDENTS
FEBRUARY 4, 2019

PUBLIC SAFETY BUILDING CONSTRUCTION

The abatement & demolition activities were slowed down due to the weather conditions last week. The house at 893 St. Clair did have the necessary abatement completed. The demolition contractor is currently mobilizing to begin the demolition of the 893 St. Clair property and will move to demo the Alger's building soon after the abatement has been completed there. The demo process is anticipated to take approximately two weeks. Construction is currently scheduled to start in March. The City of Grosse Pointe wishes to apologize in advance for any inconvenience related to the construction and hopes to complete the project in a timely manner. If you have any questions or concerns, please feel free to contact me or the contractor at the following:
